

# 16th 3DBODY.TECH Conference & Expo

Lugano, Switzerland · 21-22 October 2025

3DBODY.TECH Conference & Expo - The Premier Multidisciplinary International Conference and Expo on 3D/4D Human Body Scanning, Data and Processing Technologies · <https://3dbody.tech>

3DBODY.TECH provides a platform of eminent professionals, entrepreneurs, academicians, researchers across the globe to present, learn and discuss the latest in 3D/4D body scanning, data and processing technologies. The multidisciplinary character of 3DBODY.TECH makes it unique and not comparable to any other meeting related to 3D/4D body technologies.

3DBODY.TECH 2025 - The 16th International Conference and Expo on 3D/4D Body Scanning, Data and Processing Technologies, will take place on 21-22 October 2025, in Lugano, Switzerland. 3DBODY.TECH 2025 will be a full in-person event with conference and expo taking place at the Lugano convention center, with all speakers presenting onsite and with the large majority of attendees participating onsite. Online participation will be available for remote attendees. The entire contents of the conference and demonstrations of exhibitors will be live streamed and recorded for later view.

## 3DBODY.TECH Conference & Expo - TOPICS

The technical program consists of presentations and demonstrations in the following areas (full list on our website):

- 3D & 4D body and 3D & 4D face scanning methods, systems and technologies
- 3D & 4D body data processing and use, 3D & 4D body processing methods and technologies
- 3D body modeling, 3D body visualization, 3D body printing methods and technologies
- 3D digital humans, virtual humans, avatars, metaverse
- Active and passive 3D & 4D scanning technologies for the human body (full body, bust, head, face, legs, feet, hands, etc.)
- 4D scanning, volumetric capture and MOCAP technologies for the human body
- Mobile, portable and hand-held human body scanning and measurement systems, devices, solutions
- ML (machine learning) and AI (artificial intelligence) for 3D & 4D body scanning, processing and modeling
- Full body scanning and measurement systems for the apparel and fashion sector
- 3D virtual fitting, 3D digital fashion, 3D cloth simulation, virtual mirrors
- Applications in medical sciences (plastic surgery, orthotics, prosthetics, forensics, dermatology, etc.)
- Foot scanning and measurement systems for footwear, sport and orthopedics
- Digital anthropometry, anthropometric studies, ergonomics
- Body measurement and sizing campaigns, fitting mannequins
- Applications in sport, fitness and health
- Applications in FX, games, entertainment, metaverse, virtual life

## 3DBODY.TECH Conference & Expo - FACTS

- World's largest multidisciplinary meeting entirely dedicated to 3D & 4D body scanning, data and processing technologies
- In-person event with all speakers presenting onsite and the large majority of attendees participating onsite
- Over 250 expected international onsite and online participants at the conference and expo
- 1 plenary session, 14 technical sessions in dual track, 1 panel discussion, in total over 80 presentations
- Technical exhibition of equipment and solutions on 500sqm (5400sqft) with 25-30 exhibitors
- Live streaming and recording of all presentations, all sessions and exhibitors' demonstrations
- Dedicated event platform/app with access to all live streams, all recorded contents, and tools for networking
- Conference proceedings (ISBN, digital) with access to all papers, all abstracts and all recordings
- All papers and presentations included in the 3DBODY.TECH Proceedings: 900+ pages, 750+ PDFs, 400 videos, search tool
- Reviewed papers published as journal papers with DOIs on 3DBODY.TECH Journal (ISSN, open access, online)

## CALL FOR PAPERS - Submission of abstracts, acceptance and review process, proceedings and journal

Authors wishing to present their works at the conference are invited to submit their extended abstract(s) to the conference office. Extended abstract should consist of 250-500 words and images.

Please send the extended abstract, including name, address, affiliation, e-mail of the authors, to [info@3dbody.tech](mailto:info@3dbody.tech).

### Acceptance and review process, conference proceedings (ISBN), journal (ISSN), DOIs, papers & recordings

The works presented at the conference are differentiated into four groups: reviewed full papers, accepted abstracts/papers (not reviewed papers), technical presentations (with/without abstract/paper) and invited talks.

The submitted abstracts will be evaluated and reviewed for acceptance. Authors of accepted abstracts, wishing to have their works published as reviewed papers, should then submit full papers following the given guidelines.

All submitted technical/scientific papers will be reviewed by at least two members of the technical/scientific committee.

All accepted papers, abstracts, presentations must be presented onsite personally by one of the authors. Online remote presentations will not be possible.

All works presented at 3DBODY.TECH 2025 Conference & Expo - all submitted and reviewed papers, all accepted abstracts/papers and all presentations - will be included in the 3DBODY.TECH 2025 Proceedings with ISBN number.

The papers, abstracts and recorded presentations will also be available at the website <https://proc.3dbody.tech>.

All reviewed papers, will be additionally published as journal papers, with DOI, in 3DBODY.TECH Journal - Journal of 3D Body Technologies, ISSN 3042-576X, Open Access, Online. Journal website <https://jrnl.3dbody.tech>.

### Important dates and deadlines

Extended abstracts: 30 April 2025

Authors' notification: 30 June 2025

Full papers: 31 Aug. 2025

## CALL FOR EXHIBITORS - Levels and fees, early registration discounts

3DBODY.TECH Conference & Expo is the world leading technical/scientific event dedicated to the specific fields of 3D & 4D human body scanning, measurement, data and processing technologies, methods and applications. The technical exhibition will take place in parallel to the conference and will be accessible to all attendees and participants.

Private corporations and organizations, research and educational institutions, individual firms and startups are welcomed to participate as exhibitors. Different affordable levels for exhibitors are available.

### Discounts on the exhibitors' registration fees are available for early registrations:

**Early bird:** 20% discount on the basic fees by registering before 1 May 2024.

**Super saver:** 30% discount on the basic fees by registering before 1 March 2024.

#### GOLD exhibitor

- 9m<sup>2</sup> (3x3m) exhibition space
- additional space: 150 CHF / m<sup>2</sup>
- tables, chairs, el. plug, WiFi
- 3 onsite + 1 online registr./participants
- additional reg./participants: see below
- presentations at tech. sessions
- short present. at opening session
- live demo streamed + recorded
- profile on event platform/app
- logo, link, text on website + program
- promotion on our social media
- cost: 3600 CHF
- early bird:** 2900 CHF
- super saver:** 2500 CHF

#### SILVER exhibitor

- 4m<sup>2</sup> (2x2m) exhibition space
- additional space: 150 CHF / m<sup>2</sup>
- 1 table, 2 chairs, el. plug, WiFi
- 2 onsite + 1 online registr./participants
- additional reg./participants: see below
- 1 presentation at tech. sessions
- short present. at opening session
- live demo streamed + recorded
- profile on event platform/app
- logo, link, text on website + program
- promotion on our social media
- cost: 2300 CHF
- early bird:** 1850 CHF
- super saver:** 1600 CHF

#### BRONZE exhibitor

- 2m<sup>2</sup> (2x1m) exhibition space
- additional space: 150 CHF / m<sup>2</sup>
- 1 table, 2 chairs, el. plug, WiFi
- 1 onsite + 1 online registr./participant
- additional reg./participants: see below
- 1 presentation at tech. session
- live demo streamed + recorded
- profile on event platform/app
- logo, link, text on website + program
- promotion on our social media
- cost: 1200 CHF
- early bird:** 950 CHF
- super saver:** 800 CHF

#### BASIC sponsor

- 1 online registr./participant
- additional reg./participants: see right
- profile on event platform/app
- logo, link, text on website
- cost: 700 CHF
- early bird:** 550 CHF
- super saver:** 500 CHF

#### Additional registrations/participants

		<b>early bird</b>	<b>super saver</b>
+ 1 onsite registration/participant:	700 CHF	600 CHF	500 CHF
+ 2 onsite registrations/participants:	1300 CHF	1100 CHF	900 CHF
+ 3 onsite registrations/participants:	1800 CHF	1500 CHF	1200 CHF
+ 1 1-day registration/participant:	400 CHF	350 CHF	300 CHF
+ 2 1-day registrations/participants:	700 CHF	600 CHF	500 CHF
+ 1 online registration/participant:	300 CHF	250 CHF	200 CHF
+ 2 online registrations/participants:	500 CHF	400 CHF	300 CHF
1 upgrade to online reg./participant:	400 CHF	350 CHF	300 CHF

Prices are in Swiss francs (CHF) and inclusive of taxes (when applicable).

## REGISTRATION - Fees, tickets, early registration discounts

Each attendee/participant/delegate and each speaker/presenter that wishes to attend (personally onsite or remotely online) the conference and expo must register and pay the registration fees before the begin of the conference.

Registration fees include admission to all sessions and technical exhibition, coffee breaks and lunches, full access to the event platform/app (during and 60 days after the conference &expo) and to the proceedings.

Online/virtual registration fees include only access to the event platform/app and the proceedings.

Registration fees	Attendee	Speaker	Student	1-day	Online	
Super saver, before 1 June	600 CHF	550 CHF	500 CHF	300 CHF	200 CHF	
Early bird, 1 June - 31 July	700 CHF	650 CHF	600 CHF	400 CHF	300 CHF	
Regular, 1 Aug. - 30 Sept.	800 CHF	750 CHF	700 CHF	500 CHF	400 CHF	Prices are in Swiss francs (CHF) and inclusive of taxes (when applicable).
Late, from 1 October:	900 CHF	850 CHF	800 CHF	600 CHF	500 CHF	

## VENUE - Lugano - Swiss mediterranean style

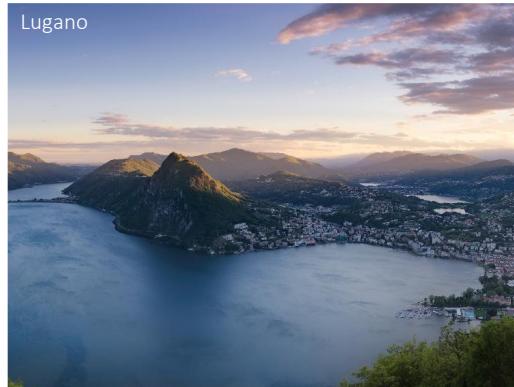

Lugano is situated 80 km north of Milan, in Ticino, an alpine canton in the South of Switzerland. This quiet, compact city of spacious parks lies on the shores of beautiful Lake Lugano, in an unspoilt landscape of lush hills and wild, remote valleys. Local area attractions and short-day trips can make this conference the opportunity of a mini vacation.

Milan Malpensa international airport (MXP) is 70km from Lugano and directly connected to Lugano by rail (1h 40min).

Zurich international airport (ZRH) is located 200km from Lugano and connected to Lugano by rail (2h 15min).

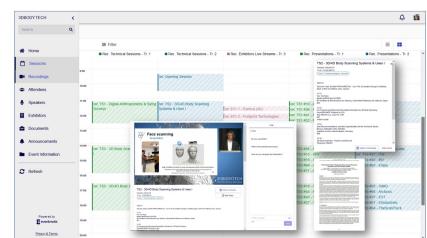

Lugano is within driving distance from major cities in Switzerland, Italy, Germany and France.

The conference and expo will be held at the Lugano convention center which is centrally located, right next to the splendid municipal park, directly on the lake shore. The center is located within easy walking distance of many hotels, shops and attractions. The dual-track technical sessions, the parallel technical exhibition and the breaks will take place in adjacent spaces on the first floor.

## EVENT PLATFORM/APP

The 3DBODY.TECH event platform/app will allow all participants to access and view all live streams and all recorded contents: technical sessions, exhibitors' demonstrations, single presentations. The event platform/app will also offer extended networking opportunities during the conference: it will be possible to browse and search all participants (attendees, speakers, exhibitors) and contact or communicate with them by different means (messaging, live chats, video calls). The event platform/app will be active and accessible to all (onsite and online) participants during the conference and for 60 days after the conference.

## 3DBODY.TECH Proceedings

The 3DBODY.TECH Proceedings website includes the abstracts, papers and presentation videos (when available) of all 3DBODY.TECH events, starting from year 2010. The website features over 900 publications/presentations pages, over 750 papers/abstracts PDFs, about 400 presentation videos/recording (from 2020) and a dedicated search tool. 3DBODY.TECH Proceedings website: <https://proc.3dbody.tech>
